

We wanted to inform you, our patients, about what is going to happen with the next Covid vaccine also known as the Spring Booster 2023. We have been informed by ABUHB that our eligible patients (ie those aged 75 years and over and those who are immunocompromised) will be vaccinated by the Mass Vaccination Centres.

If you are eligible, you will receive a letter giving you a date and an appointment time. It is important to note that there will be no vaccinations at this time at The Rogerstone Practice. There will be instructions included within the letter telling you what you will need to do if you are unable to attend the appointment issued to you.
